Press Release

EARTHQUAKE EMERGENCY IN TURKEY: ALL COFLE GROUP PRODUCTION PLANTS ARE OPERATIONAL

Trezzo sull'Adda (MI), 07 February 2023 - Cofle S.p.A. - a leading company in the design, production and worldwide marketing of control systems and control cables for the off-road, automotive and after market automotive sectors - in relation to the earthquake that has hit Turkey and Syria these days, notes that its production plants in Turkey are fully operational as they are located in an area that was not affected by the earthquake and that no consequences have been recorded for employees and their families.

Cofle is close to the Turkish people and will not fail to send support and solidarity to those who have been so painfully affected.

This press release is available in the Investor Relations section of the website <https://www.cofle.com/it/>. It is also specified that, for the dissemination and storage of regulated information, the Company uses the eMarket STORAGE circuit managed by Spafid Connect S.p.A..
